An innovative resource pack that includes letters, maps, graphics and 20 A4 colour photographs from around the world. Encourages discussion and skills-based work on citizenship and PSHE issues. 132pp  
£23.00 (070)

*“...this resource pack not only brings a global dimension into the literacy hour - it provides excellent active global citizenship materials as well.”*  
TES Primary

## School visits

Bring the world into your classroom.

ActionAid's team provides presentations by qualified, experienced teachers, tailored to your specific needs and focused on the National Curriculum.

The service supports the study of distant localities including India, Kenya, Bangladesh, Pakistan and Ghana. New Powerpoint versions of talks include additional information and visual material. Themed talks include: water, home and family life and the work of ActionAid.

*“Very informative and children loved being involved.”*  
Manchester Road Primary

Talks last 45-60 minutes and encourage pupils to ask and answer questions. An all-inclusive charge of £60 half day £90 full day will be invoiced after the visit. Call 01460 238000 for further information and booking.

## Stock clearance - Welcome to my village

A teaching resource for literacy and citizenship. Tells how the Mayan community in Guatemala rebuilt their lives after a civil war. Large format, comes with a class set of information leaflets, teaching notes and background information. Usually sold for £20.99. Available for £5 to cover p&p. (096)

A new interactive global citizenship site for schools from ActionAid. The site explores life around the world and encourages users to ask questions, share ideas, vote on issues and take action.

Includes:

**Live to India** – transports you to life in the village of Khalipathar in Orissa. Here, you can watch a slide show and video clips, play games, meet the people, ask them questions and share stories!

**Countries** – takes you on a journey to many of the fascinating places where ActionAid works – you won't want to leave!

**Gallery** – video clips, photography, and artwork from around the world!

**Lesson ideas** – over 90 great ideas to use alongside all the information on the site!

**Take action** – 10 inspiring ideas to make a real difference in the world. Plus vote in an on-line poll and see the results immediately!

# KS1

Choose from over 100 images from the big book, including original pictures and black and white drawings. Also includes an interactive map of Mombasa and audio and video readings of the story that will play on a CD-player or computer.

£8.75 (083)

**Special offer** – free clipart CD when you buy one big book and one set of readers for £48.25 (83)

## Barnaby Bear goes to Kenya

Take your class on a fascinating journey to Kenya with Barnaby Bear.

This exciting new resource is based around topics such as daily life, family, holidays, journeys and the work of ActionAid. The focus is on one village, and one family in particular, to really bring the Kenyan experience to life. As children learn about the locality through the eyes of Barnaby, they will start to make comparisons with their own lives.

The resource contains large colour posters and background information with activity ideas and worksheets to help develop geographical and literacy skills.
