Every penny counts

How the funds you raise can make a world of difference

The £1,700.00 you raise through the Flora London Marathon 2008:

- could provide enough medicine and nutritional supplements to keep 170 HIV/Aids orphans in Rwanda healthy for a year.
- could provide a street child in India with food, shelter, medical care and an education for 5 years.
- could build 2 wells in Afghanistan, providing 240 families with safe, clean water.
- could train 5 teachers in Somaliland in effective and appropriate teaching methods, including their accommodation at the training centre.
