

# Fundraising Ideas...

## 1. Fashion Show

Put on a show and charge people to watch. Why not give your show a special angle such as home-made designs or eco-fashion?

## 2. Knit-a-thon

Pull up a rocking chair and get knitting with as many knitters as you can find. Get sponsored and sell all the scarves, hats and woolly jumpers that you create.

## 3. Clothes Swap

Photo: Tom Pietrasik/ActionAid

Dig out those old clothes, dust off the cobwebs and get swapping! Charge a small entrance fee or get people to donate for every item that they successfully swap!

## 4. Up-cycling

Don't bother buying brand new clothes - simply buy a selection of materials and some snazzy accessories and upgrade your current clothes. Have an up-cycle party and sell your brand new, part-old items!

## 5. Exhibition

Put on an exhibition inspired by fashion and textiles. Ask local fashion designers, artists and photographers to display and sell their work.
