

# Fundraising Ideas...

## 1. Plant a Seed

Buy some seeds or bulbs and get growing. Head down to your local market and sell the produce.

## 2. Sponsored Walk

There are thousands of beautiful walks and areas to be explored around the countryside. Stick on your wellies and pull out the sponsorship form. Get others involved!

## 3. Cinema Night

On a projector at your local hall, or in the comfort of your own home... Why not charge people to come and see a film that deals with the topic of land rights.

## 4. Internationally Themed Lunch

Celebrate the diverse menus from around the world, and theme your lunch with something that you've never tried before. Get guests to pay a donation.

## 5. Children's Cookery Class

Add a sprinkling of culture to a cooking class, and ask people to donate for the chance to learn an unusual African recipe or a gourmet Asian dinner.
