Gaza Crisis Appeal

The fighting has destroyed much of Gaza, and with borders closed thousands of innocent people have nowhere to escape to. They are exhausted and many have little more than the clothes on their backs. The devastation is catastrophic as people face a desperate fight for their future.

ActionAid aims to provide essential items such as household kits, containing cooking materials and bedding for people whose homes have been destroyed. So many people have lost everything.

The devastating crisis in Gaza is continuing to cause misery and fear. Please help us provide what they need to survive.
